

Commemoration of the Service of Welcome and the Inauguration of The Ministry of Bishop Christopher Foster as Bishop of Portsmouth

The Cathedral Shop has commissioned Alison Gardiner, a well-known local artist, to design a fine bone china mug to commemorate this special occasion. The mug, with its colourful image of the Bishop's procession depicted around it, will make a lovely present or souvenir. These exclusive, limited edition mugs, which come in an attractive gift box, are £12.00. Pictures and one of the mugs will be on display in the shop and on the Cathedral website in August but, to avoid disappointment, order your mug now by returning the slip below to me at the Cathedral, or contact the shop. The mugs will be available for collection from 18th September 2010.

For further information please contact the Shop Manager, Christine Richardson on 023 9282 3300 or e-mail: chris.richardson@portsmouthcathedral.org.uk.
